KINGSPAN MEETS BBA APPROVAL FOR CALCULATION COMPETENCY

Kingspan Insulation is pleased to announce that calculations produced by its Pembridge based Technical Service Department are now fully approved by the BBA.

The certification achieved is from the 'BBA/TIMSA Scheme for Calculation Competency Part 1 — U value and condensation risk', and provides assurance for clients seeking technical support for compliance with the requirements of Building Regulations.

The official announcement was made on 2nd March at Ecobuild. A copy of the certificate is available on request from the Kingspan Technical Service Department and will also shortly be available to download from the BBA website via the link below:-
